NOTE FOR: Deputy Director for Administration

FROM: John M. Ray
            Director of Logistics

SUBJECT: ADP Support to DA Offices

REFERENCE: Memo for DDA from D/OIT, dated 2 Jan 87, Same Subject

        1. At the DA Staff Meeting of 13 January, Hank requested my comments regarding the proposal contained in reference.

        2. I generally agree with the proposal and commend the initiative of the Director of Information Technology. As you will recall, I had an independent study conducted of our own ADP
STAT   resources by [   ] of FBIS. [   ] advises me that her report will be forwarded to me within the next week or two. Although I haven't seen the report as yet, my feeling is that her recommendations will be in conformance with Ed's proposal.

        3. I would like to have a little more time to review
STAT   [   ] report before providing my final reaction to reference proposal. I would also like to have the opportunity to verify the numbers of positions contained in reference. Most important, we must be extremely careful with respect to those Logistics careerists performing ADP functions, assuring they have complete freedom to choose between remaining in the ML Career Service or converting to the MZ Career Service.

        4. Bottom line--I don't think that my future detailed review will alter my general concurrence with Ed's proposal.
